Stay safe from APP scams

Every year thousands of people are victims of APP scams. An APP (authorised push payment) scam is when you're tricked into paying money to someone who isn't genuine or for a different purpose from what you meant. Because it seems convincing, it's easy to get caught out.

Since May 2019, we've been a voluntary member of the APP Scam Code. Under the Code customers who are protected are refunded if they fall victim to an APP scam, provided they did everything expected of them under the Code.
